For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as venue voting system on the date of the AGM will be provided by CDSL.
- 2. A Member entitled to attend and vote at the Annual General Meeting (AGM) is entitled to appoint a proxy to attend and vote instead of himself/herself and the proxy need not be a Member of the Company. The instrument appointing the proxy, in order to be effective, must be deposited at the Company's Registered Office, duly completed and signed, not less than FORTY-EIGHT HOURS before the meeting. Proxies submitted on behalf of limited companies, societies, etc., must be supported by appropriate resolutions/authority, as applicable. In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder.
- 3. In case of joint holders attending the meeting, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
- 4. Shareholders are required to intimate changes in their addresses, if any.
- 5. Shareholders are requested to register their E mail ID with the company to enable the company to send all communications including notice of the meetings electronically.
- 6. The members, holding shares in physical form, are requested to intimate any change in their addresses or bank details to the Company's Registrar- BgSE Financials Limited, Stock Exchange Towers, No.51, 1st Cross, J.C.Road, Bengaluru- 560027. Ph. No. 080 41329661/ 66673353. E-mail: cs_rta@bfsl.co.in or vp-rta@bfsl.co.in. Those holding shares in dematerialized form may intimate any change in their addresses or bank details/mandates to the concerned Depository Participants.
- 7. As per Rule 9A of the Companies (Prospectus and Allotment of Securities) Rules, 2014, the shares of the company should be held in DEMAT form. The ISIN of the company is INE583A01033. Share holders are requested to dematerialize the shares held by them.
- 8. The Notice calling the AGM has been uploaded on the website of the Company at https://www.namasteexports.net/. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
- 9. The Board appointed CS. G M Ganapathi, (FCS: 5659; CP:4520) and in his absence CS. Radhesh R Bhat (ACS: 53603; CP:21562), Partners of M/s. Ganapathi & Mohan, Practicing Company Secretaries as scrutinizer to scrutinize the remote e-voting and e-voting at the AGM in a fair and transparent manner.
- 10. In terms of Section 110 and other applicable provisions of the Companies Act, 2013, as amended, read together with the Companies (Management and Administration) Rules, 2014 as amended from time to time, the company is pleased to offer remote e-voting facility to all the members of the company. The company has engaged services of M/s Central Depository Services (India) Limited as its agency for providing or Facilitating e-voting through CDSL to enable the members to cast their votes electronically (hereinafter referred to as the "Remote e-voting").
- 11. E-voting cutoff date: The members may cast their votes on electronic voting system from place other than the venue of the meeting (remote e-voting). The remote e-voting period will commence at 9:00 a.m. on 8th day of November, 2024 and will end at 5:00 p.m. on 10th day of November, 2024. The e-voting module shall be disabled by CDSL for voting thereafter.
- 12. The Members, whose names appear in the Register of Members/ list of Beneficial Owners as on 1st day of November, 2024 are entitled to vote on the Resolution set forth in this notice.
- 13. Members joining the meeting physically, who have not already cast their vote by means of remote e-voting, shall be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM but shall not be entitled to cast their vote again

14. The Members desiring to vote through electronic mode/ remote e-voting may refer to the detailed procedure on e-voting given hereinafter.

THE INTRUCTIONS TO SHAREHOLDERS FOR E-VOTING ARE AS UNDER:

- (i) The voting period begins on 9:00 a.m. on 8th day of November, 2024 and ends on 5:00 p.m. on 10th day of November, 2024. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 1st day of November, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and e-mail ID in their demat accounts in order to access e-Voting facility.

Reply to the qualification made by the auditors:

SI.No.	Auditor's Remark	Management Representation
	Qualification by the Auditors	
1.	As detailed in Note No 14 to the financial statements, the Company has not filed documents/e-forms with the Registrar of Companies, Karnataka, Bangalore, regarding increase in authorized capital, paid up capital, reduction in face value of paid up capital, and other documents relating to amalgamation / restructuring for a substantial period.	Increase in authorized capital, paid up capital, reduction in face value of paid up capital was done as per the BIFR order. The BIFR order have attained finality. The Roc has filed appeal in the Karnataka High court which is time barred and also contravenes Section 32(1) of SICA Act. We are hopeful of getting favourable judgement in the High Court and ROC will follow BIFR instructions.
2.	As detailed in note No. 6, capital advance of Rs. 183.77 Lakhs is due for substantial period from a firm in which relatives of director are interested. As per the documents made available to us, the Company has neither taken steps to register the property in the name of the Company nor taken steps to recover the said dues.	The company would complete the registration formalities at the earliest.
	Emphasis of Matter	
3.	Without modifying our opinion, attention is drawn to Note No 33(j) to the financial statements, relating to delisting of the shares of the Company. As per the notification of BSE, the Company, directors and promoters have certain obligations as detailed in the said note. Non fulfilling of the said obligations may result in consequential liabilities which are not ascertainable.	The Company has obtained connectivity. Demat of shares is in process. The Company & Promoters will take suitable steps to fulfil the commitments connected with delisting of shares.
	Observation	
4.	Based on our examination which included test checks, during the year under review, the feature of recording audit trail (edit log) facility has not been enabled and operative throughout the year for all transactions recorded in the accounting software used by the Company for maintaining its books of account for all relevant transactions recorded in the software. Since the audit trail (edit log) facility is not enabled, the question of whether the same has been tampered with does not arise.	The Ministry of Corporate Affairs has newly introduced the Audit trail effect from 1st April, 2023. Accordingly, the management took necessary actions to implement the audit trail. However, due to technical reason, the same has not been enabled during the year. However, there were no instance of books of accounts being tampered. Hence, it will not adversely impact the companies responsibility to the shareholders, regulatory authorities and other stakeholders of the Company.

Except the above, the Auditor's Report does not contain any qualification, reservation or adverse remarks.

36. ACKNOWLEDGEMENT:

Your Directors take this opportunity to thank its Bankers and stakeholders for their support in the growth of the Company.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NAMASTE EXPORTS LIMITED REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Qualified Opinion

We have audited the financial statements of **NAMASTE EXPORTS LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2024, the statement of Profit and Loss, and Statement of Cash Flows, for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements *subject to the effect of matters described in the basis of qualified opinion paragraph,* give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, profit for the year and its cash flows for the year.

Basis of Opinion

- 1. As detailed in Note no 14 to the financial statements, the Company has not filed documents / e-forms with the Registrar of Companies, Karnataka, Bangalore, regarding increase in authorised capital, paid up capital, reduction in face value of paid up capital, and other documents relating to amalgamation / restructuring for a substantial period.
- 2. As detailed in Note no 6, capital advance of Rs. 183.77 Lakhs is due for substantial period from a firm in which relatives of directors are interested. As per the documents made available to us, the Company has neither taken steps to register the property in the name of the Company nor taken steps to recover the dues.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters:

Ket audit matters are those matters that, in our professional judgement ,were of most significance in our audit of the financial statement of the current year. These matters were addressed in the context of our audit of the financial statement as a whole ,and in forming our opinion thereon ,and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information other than the Financial Statements and Auditor's Report thereon

The company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appear to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures
 made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Emphasis of matter

Without modifying our opinion, attention is drawn to Note 33 (j) to the financial statements, relating to delisting of shares of the Company. As per the notification of BSE, the Company, directors and promoters have certain obligations as detailed in the said note. Non fulfilment of the said obligations may result in consequential liabilities which are not ascertainable.

Report on Other Legal and Regulatory Requirements

The Companies (Auditor's Report) Order, 2020 ("CARO 2020" or "the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Companies Act, 2013, is applicable to the Company for the year under review.  - iii. There are no amounts required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv. a. The Management has represented that, to the best of its knowledge and belief, other than as disclosed in notes to accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ('Intermediaries') with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - iv. b. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ('Funding Parties') with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - iv. c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our attention that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not declared any dividend during the year.
 - vi. Based on our examination which included test checks, during the year under review, the feature of recording audit trail (edit log) facility has not been enabled and operative throughout the year for all transactions recorded in the accounting software used by the Company for maintaining its books of account for all relevant transactions recorded in the software. Since the audit trail (edit log) facility is not enabled, the question of whether the same has been tampered with does not arise.
 - vii. As audit trail (edit log) facility is not enabled, the question of preservation of audit trail as per the statutory requirements for record retention does not arise for the financial year ended March 31, 2024.

ANNEXURE - A TO THE AUDITOR'S REPORT

Statement on para 3 and 4 of the Companies (Auditor's Report) Order, 2020, (CARO 2020/ "the Order") issued vide Order number S.O. 849(E) dated 25th February 2020 referred to in the Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31st March 2024,

- i. a. A. As per the information and explanation provided to us, the company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment;
 - B. The Company does not have any intangibles. Hence the requirement of clause 3 (i) (a) (B) of the order is not applicable to the Company during the year under review;
 - b. As per the information and explanation provided to us, Property Plant and Equipment of the Company have been physically verified by the management during the year. No material discrepancies were noticed on such verification and the same have been properly dealt with in the books of account. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and nature of its business;
 - c. The Company has not revalued its Property, Plant & Equipment. Hence the requirement of clause 3 (i)(d) of the order is not applicable to the Company during the year under review;
 - d. Based on the information and explanations given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder
- ii. a. Inventories have been physically verified during the year by the management. In our opinion, the frequency of verification was reasonable. The discrepancies between the physical stocks and the book records, where applicable, as noticed on physical verification were not material and have been properly dealt with in the books of account;
 - b. As informed to us, during any point of time of the year, the company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets and hence the requirement of clause 3 (ii) (b) of the order is not applicable to the Company during the year under review.
- iii. a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, has not made investments in, provided any guarantee or security to companies, firms, Limited Liability Partnerships or any other parties during the year. However Rs.183.77 Lakhs of advance for purchase of property made to a firm during prior years in which relative of a director is interested is outstanding as on 31st March 2024.
 - b . As the advance is outstanding for substantial period ,we are of the opinion that the same is prima facie prejudicial to the Company's interest.
 - c. As the advance was made for purchase of property, there is no schedule of repayment of principal or stipulation for payment of interest and hence we are not able to comment as to whether the repayments or receipts are regular.
 - d. In respect of these advances, there is no schedule of repayment of principal or stipulation for payment of interest and hence we are not able to comment as to whether the amount is overdue and steps taken by the Company for recovery of principal and interest
 - e. In respect of these advances, there is no schedule of repayment of principal or stipulation for payment of interest. Hence we are not able to comment as to whether the loan has fallen due during the year and the loan has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
 - f. According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans / advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year to promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013;.
- iv. According to the information and explanation given to us, except for Rs 183.77 Lakhs of advance given for purchase of property to a firm in which relative of directors is interested and which is outstanding for substantial period, in respect of other loans an investments made the Company has complied with the provisions of Section 185 and 186b of the Companies Act,
- v.. In our opinion, and according to the information and explanations given to us, the Company ahs not accepted any deposits or amounts which are deemed to be deposits within the meaning of the Section 73 to 76 of the act and the Rules framed thereunder to the extent notified. Accordingly ,paragraph 3(v) of the Order is not applicable to the Company.
- vi. The Central Government has not prescribed the maintenance of cost records under section 148 (1) of the Act for any products manufactured/servies rendered by the Company
- vii. a. The company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities.
 - There are no arrears of outstanding statutory dues mentioned above as on the last day of the financial year concerned for a period of more than six months from the date they became payable.
 - b. According to the information and explanation given to us, there are no amounts of statutory dues as referred to in clause 3 (vii) (a) above which have not been deposited on account of any dispute.
- viii. According to the information and explanation given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961), hence the requirement of clause 3 (viii) the order is not applicable to the Company during the year under review
- ix. a. In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

- b. In our opinion and according to the information and explanations given to us, the Company has not been declared as wilful defaulter by any bank or financial institution or any lender;
- c. In our opinion and according to the information and explanations given to us, the Company has not obtained any term loan during the year under review;
- d. In our opinion and according to the information and explanations given to us, short term funds raised by the Company have not been utilised for long term purposes.
- e. In our opinion and according to the information and explanations given to us, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures and hence the requirement of clause 3 (ix) (e) of the order is not applicable to the Company during the year under review;
- f. In our opinion and according to the information and explanations given to us, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies and hence the requirement of clause 3 (ix) (f) of the order is not applicable to the Company during the year under review;
- x. a. In our opinion and according to the information and explanations given to us, during the year the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and hence clause 3 (x) (a) of the Order is not applicable to the Company during the year under review.
 - b. In our opinion and according to the information and explanations given to us, the company has made not any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence clause 3 (x) (b) of the Order is not applicable to the Company during the year under review.
- xi. a. According to the information and explanations given to us, no material frauds by the Company or on the Company have been noticed or reported during the course of the audit.
 - According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies
 Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014
 with the Central Government;
 - c. According to the information and explanations given to us, the Company has not received any whistle-blower complaints during the year under review;
- xii. In our opinion and according to the information and explanation given to us, the Company is not a nidhi Company. Accordingly, clause 3 (xii) (a) to (c) of the Order is not applicable to the Company during the year under review.
- xiii. According to the information and explanation given to us and based on our examination of the records of the Company, transactions with related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. In our opinion and according to the information and explanation given to us, the Company is not in the class of Companies required to have internal audit system and hence clause 3 (xiv) (a) and (b) of the Order is not applicable to the Company during the year under review.
- xv. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him and hence clause 3 (xv) of the Order is not applicable to the Company during the year under review.
- xvi. According to the information and explanation given to us and based on our examination of the records of the Company, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934 and hence clause 3 (xvi) (a) to (d) of the Order is not applicable to the Company for the year under review.
- xvii. The Company has not incurred cash loss during the current year and immediately preceding previous year.
- xviii. There has been resignation of the statutory auditors during the year under review. There were no issues, objections or concerns raised by the outgoing auditor.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, as on the date of the balance sheet, the Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- xx. The Company is not covered under the class of Companies under section 135 of the Companies Act, 2013 and rules framed thereunder. Hence clause 3 (xx) (a) and (b) of the Order is not applicable to the Company for the year under review.
- xxi. The Company is not required to prepare consolidated financial statements and hence clause 3 (xxi) of the Order is not applicable to the Company for the year under review.

ANNEXURE - B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **NAMASTE EXPORTS LIMITED** ("the Company") as of 31st March 2024, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial

control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Adverse Opinion

According to the information and explanation given to us and based on our audit, the following material weakness has been identified as at 31st March 2024.

The internal control system of the Company in respect of receipt of material and reconciliation of material consumption, needs to be improved to make it commensurate with the size of the Company and nature of its business.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, because of the effect of the material weakness/es described above on the achievement of the objectives of the control criteria, the Company has not maintained adequate and effective internal financial controls over financial reporting as of March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2024, financial statements of the Company, and the same is reported under emphasis of matters in our audit report of even date.

NAMASTE EXPORTS LIMITED

Notes forming part of the Financial Statements for the year ended March 31, 2024

1. Corporate Information:

NAMASTE EXPORTS LIMITED ('the Company') is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act, 1956 in India. The registered office of the Company is situated in Bangalore India.

The Company is primarily engaged in the business of manufacture of leather garments. The financial statements are prepared in Indian Rupees in Lakhs

2. A. Basis for preparation of financial statements:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as Ind AS) as notified by the Ministry of Corporate Affairs, pursuant to Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules. 2015.

The accounting policies are applied consistently to all the periods presented in the financial statements.

The financial statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange of goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Since the Company has decided to discontinue its leather garment manufacturing business and initiated steps in that direction accounts are prepared as per Indian Accounting Standard (Ind AS)105 Non Current Assets "Held for Sale and Discontinued Operation"

B. Summary of Significant Accounting Policies:

a. Uses of Estimates and Judgements:

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses for the years presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

b. Revenue Recognition:

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

- 1. Sale of Products: Revenue is recognised at the time of transfer of property in goods, which results in or coincides with the transfer of significant risks and rewards to the customers and is generally at the point of dispatch of goods to the customers and no significant uncertainty exist regarding the amount of consideration towards such sale. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates. Sale values of products and of services are recognized as per the customs and trade practices and are exclusive of taxes, trade and quantity discounts.
- 2. Sale of Services: Revenue from service contracts are recognized as per the contractual terms as and when the services are rendered and an unconditional right to receive such income is established. No further obligations remains and the collection is probable.
- 3. Interest Income: Interest Income is recognized on a time proportionate basis taking into account effective rate of interest.
- 4. **Dividend Income:** Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.
- 5. **Export Benefits:** Export entitlements in the form of Remission of Duties and Taxes on Export Products (RODTEP) and Duty Entitlement Pass Book / draw back (DEPB) are recognized in the statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

c. Income Taxes:

Provision for income tax is made on the basis of taxable income for the current accounting year in accordance with the Income Tax Act, 1961. Current tax liabilities (assets) for the current and prior periods shall be measured at the amount expected to be paid to (recovered from) the taxation authorities, using the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities for timing differences between taxable and accounting income shall be measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

A deferred tax asset shall be recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised. However, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is virtual certainty of realization of such assets.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting period. The Company shall reduce the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or all of that deferred tax asset to be utilised. Any such reduction shall be reversed to the extent that it becomes probable that sufficient taxable profit will be available.

d. Property, Plant and Equipment & Depreciation :

Property, Plant & Equipment and intangible assets are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalised includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction / installation stage. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on Property, Plant & Equipment is charged based on straight line method based on management's estimated useful lives prescribed in Schedule II to the Companies Act, 2013.

Assets costing up to Rs. 5,000 are fully depreciated in the year of purchase.

An item of Property, Plant & Equipment and intangible assets is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant & Equipment and intangible assets are determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

Right-of-use assets are depreciated over the term of lease on straight line basis.

e Intangibles and Amortisation:

Intangible assets acquired are initially recorded at cost. Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at the end of each reporting period. The amortization expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss. In case of finite lives, following useful economic life has been considered:

Computer Software 5 years

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized

f. Provisions

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions excluding retirement benefits are not discounted

36th annual

to its present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

The Company assesses whether a contract is or contains a lease, at inception of the contract. The Company recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life or the end of the lease term. The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero. On the Balance Sheet, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included in borrowings and other financial liabilities.

Foreign Currency Transactions:

The functional currency of the company is Indian Rupees (INR). Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are restated into the functional currency using exchange rates prevailing on the dates of Balance Sheet. Gains and losses arising on settlement and restatement of foreign currency denominated monetary assets and liabilities are recognized in the profit or loss.

Financial Instruments:

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

Employee Benefits:

- Gratuity: The Company accounts for its gratuity liability, a defined retirement benefit plan covering eligible employees. The gratuity plan provides for a lump sum payment to employees at retirement, death, incapacitation or termination of the employment based on the respective employee's salary and the tenure of the employment. Liabilities with regard to a Gratuity plan are determined based on the actuarial valuation carried out by an independent actuary as at the Balance Sheet date using the Projected Unit Credit method. Actuarial gains and losses are recognised in full in other comprehensive income and accumulated in equity in the period in which they occur. Past service cost is recognised in profit or loss in the period of a plan amendment
- ii. Provident fund: The eligible employees of the Company are entitled to receive the benefits of Provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary which are charged to the Statement of Profit and Loss on accrual basis. The provident fund contributions are paid to the concerned authorities by the Company. The Company has no further obligations for future provident fund.
- iii. Employees' State Insurance Scheme (ESI): Employees' state insurance scheme, which are defined contribution schemes, are charged to the Statement of Profit and Loss on accrual basis. The Company has no further obligations for future superannuation fund benefits other than its annual contributions.
- iv. Compensated absences: The Company provides for the compensated absences on estimated basis.
- k. Borrowing Costs: Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to the Statement of Profit and Loss.
- Inventories: Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing each product to its present location and condition are accounted for as follows:
 - Raw Materials: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of all raw materials except accessories are valued on First in First out (FIFO) basis. Accessories are valued on weighted average basis.
 - Finished Goods and Work-in-progress: Cost includes cost of direct materials and labour and a proportion of manufacturing overheads.
- m. Earnings per Share: Basic earnings / (loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings / (loss) per share, the net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Discontinued Operations:

- (i) Assets are classified as "assets included in disposal group held for sale" when the appropriate level of the Company's management is committed to a plan to sell the asset and an active plan to locate the buyer and complete the plan is initiated and the sale is highly probable and expected to complete within one year of such classification. The carrying amount of these assets will be principally recovered through a sale transaction rather than through continued use. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.
- (ii) Liabilities of disposal group are classified as "liabilities included in disposal groups(s) held for sale
- (iii) Profit and loss from discontinued operations are separately disclosed in the Statement of Profit and loss

Impairment:

The carrying value of assets/cash generating units at each Balance Sheet date are reviewed for impairment. If, any such indication exists, the Company estimates their recoverable amount and impairment is recognised if, the carrying amount of these assets/cash generating units exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit & Loss

For the period of five years immediately preceding the date as at which the Balance Sheet is prepared:(a) Aggregate number and class of shares allotted as fully paid up pursuant to contract(s) without payment being received in cash. (b) Aggregate number and class of shares allotted as fully paid up by way of bonus shares. (c) Aggregate number and class of shares bought back:

The company had issued shares to Industrial Development Bank of India (IDBI) under a scheme approved by Board of Industrial and Financial Reconstruction (BIFR). The shares were to be bought back within 12 months of issue as per BIFR order. There was a contract to buyback the shares. When the company decided to sell an asset to bring to meet the working shortages, the IDBI who had a charge on the property refused to remove the charges unless the shares were bought back. Since buyback was an obligation, the company bought back the shares agregating to 20,51,200 at Rs.10 each amounting to Rs.2,05,12,000 during the FY 2016-17; even when networth was negative deviating from Sec 68 of Companies Act 2013.

The erstwhile Board of Industrial and Financial Reconstruction (BIFR) in their order waived payment of fees to Registrar of Companies, Karnataka, Bangalore for increasing the authorised capital. However The Registrar of Companies, Karnataka have not accepted the documents filed by the Company earlier without payment of requisite fees. Hence company could not file documents for changes in the authorised and paid up capital. The Company is taking necessary steps to complete filing of other documents with the statutory authorities relating to amalgamation and restructuring.

33. Other Notes to the financial statements

a. Fair Value Measurement:

- i. The fair value of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.
- ii. The following methods and assumptions were used to estimate the fair values:

The fair value of trade receivables, trade payables and other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are non-current in nature, the same has been classified as Level 3.

The fair value of security deposits / investments in equity / mutual funds are calculated using effective interest rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to their fair values.

iii. Analysis of fair value measurement

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

During the period under review, level 3 hierarchy is considered for determination of fair value for all the financial assets and liabilities which are measured at fair value.

iv. Financial instruments by category:

The carrying value and fair value of financial instruments by categories is as follows:

36th ANNUAL REPORT

b. Financial Risk Management:

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Board of Directors.

The Company's principal financial liabilities consist of borrowings, trade payables, liabilities for expenses.

Risk Management Framework:

The Company is exposed to market risk, credit risk and liquidity risk. Risk management is carried out by the finance department under the policies approved by the Board of Directors. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

1. Market Risk:

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including deposits, foreign currency receivables, and payables.

The Company manages market risks through finance department, which evaluates and exercises independent control over the entire process of market risk management. The finance department recommends risk management objectives and policies which are approved by Board of Directors. The activities of the department include management of cash resources, ensuring compliance with market risk limits and policies.

Sensitivity analysis: Every 1% appreciation or depreciation of the respective foreign currencies compared to functional currency of the Company would cause the profit before exceptional items in proportion to revenue to increase or decrease respectively by 0.62% (March 31, 2024).

2. Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate due to change in the market interest rates. The Company's exposure to the risk of changes in market interest rate relates primarily to the Company's working capital borrowings with fixed interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant. The impact on entity's profit before tax due to change in the interest rate/ fair value of financial liabilities are as disclosed below:

	Year ended March 31, 2024		Year ended March 31, 2023	
Particulars	1 % increase	1 % decrease	1 % increase	1 % decrease
Effect of profit before exceptional items and tax expense	0.16%	-0.16%	-0.10%	-0.10%

3. Foreign Currency Risk:

Foreign currency risk is the risk that the fair value of the future cash flows of a financial instrument will fluctuate due to the changes in the foreign exchange rates. The company is exposed to the effect of foreign exchange rate fluctuations because of its foreign currency linked revenue, foreign currency denominated expenses. Due to this any volatility in foreign currency exchange rates will have an impact to the Company.

The position of foreign currency exposure to the Company as at the end of the year expressed in lakhs is as follows:

Currency	31 March 2024	31 March 2023
Trade Receivables		
USD	1.29	23.63
Euro	0.60	0.96
Trade Payables		
USD	Nil	Nil

The following table demonstrates the sensitivity to a reasonably possible change in the foreign exchange rates on foreign currency denominated assets / liabilities. With all other variables held constant, the companies profit before tax is affected through the impact on foreign currency denominated liabilities as follows.

IND/USD decreases by 5%	217.11	100.58
Adjusted Profit before tax and Other Comprehensive Income	2703.84	73.26

4. Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligation as agreed. Customer credit risk is managed by each business unit subject to Company's established policy, procedure and control relating to customer risk management. Further, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

Financial assets are written off when there is no reasonable expectation of recovery, such debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivables due. Where recoveries are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and advances based on historical trend, industry practices and the business environment in which the entity operates. Based on the historical data the provision for loss on receivables is made.

a. Actuarial Valuation Method:

The valuation has been carried out using the Project Unit Credit Method as per Ind AS 19 to determine the Present Value of Defined Benefit Obligations and the related Current Service Cost and, where applicable, Past Service Cost. It should be noted that valuations do not affect the ultimate cost of the plan, only the timing of when the benefit costs are recognised.

b. Benefits Valued

The benefit valued in this Report are summarised below:

Type of Plan	Defined Benefit
Employer's Contribution	100%
Employee's Contribution	Nil
Salary for calculation of gratuity	Last drawn salary
Normal age of retirement	58 years
Vesting period	5 years
Benefit on normal retirement	Same as per the provisions of the Payment of Gratuity Act, 1972 (as amended from time to time).
Benefit on early retirement / termination / resignation / withdrawal	Same as normal retirement benefit based on the service up to the date of exit.
Benefit on death in service	Same as normal retirement benefit and no vesting period condition applies.
Limit	Rs. 20,00,000/-
Gratuity Formula	15/26 * Last drawn basic salary + DA (if any) * Number of completed year

^{*} In case of employees with age above the retirement age indicated above, the retirement is assumed to happen immediately and valuation is done accordingly.

It should be noted that the actuaries have used and relied on the plan provisions supplied by the Company (as summarised above). The Company is solely responsible for the validity, accuracy and comprehensiveness of this information. If the provisions supplied are not accurate and complete, the valuation results may differ significantly from the results that would be obtained based on accurate and complete information.

c. Description of Regulatory Framework in which Plan operates - The payment of gratuity is required by the Payment of Gratuity Act, 1972.

d. Description of Risk Exposures

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary over time. Thus, the Company is exposed to various risks in providing the above gratuity benefit which are as follows:

Interest Rate risk: The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

Liquidity Risk: This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non-availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Salary Escalation Risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic Risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

Regulatory Risk: Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity pay-outs.

Asset Liability Mismatching or Market Risk: The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/fall in interest rate.

Investment Risk: The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

e. Effect of any Amendments, Curtailments and Settlements – Not applicable

ACTUARIAL ASSUMPTIONS

. Financial Assumptions:

The principal financial assumptions used in the valuation are shown in the table below:

Particulars	As at March 31, 2024	As at March 31, 2023
Discount rate (per annum)	7.20%	7.45%
Salary growth rate (per annum)	7.00%	7.00%

The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields / rates available on applicable bonds as on the current valuation date.

The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, seniority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.

II. Demographic Assumptions:

The principal demographic assumptions used in the valuation are shown in the table below:

Particulars	As at March 31, 2024	As at March 31, 2023
Mortality rate (% of IALM 12-14)	100%	100%
Normal retirement age	58 Years	58 Years
Attrition / Withdrawal rates, based on age: (per annum)		
Up to 30 years	3.00%	3.00%
31-44 years	3.00%	2.00%
Above 44 years	3.00%	1.00%

Attrition rate indicated above represents the Company's best estimate of employee turnover in future (other than on account of retirement, death or disablement) determined considering various factors such as nature of business, retention policy, industry factors, past experience, etc.

III. Effect of Plan on Entity's Future Cash Flows

a. Funding arrangements and Funding Policy:

The Company has purchased an insurance policy to provide for payment of gratuity to the employees. Every year, the insurance company carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such valuation is funded by the Company.

b. Expected Contribution during the next annual reporting period

The Company's best estimate of Contribution during the next year - Nil

c. Maturity Profile of Defined Benefit Obligation:

Weighted average duration (based on discounted cash flows)	9 Years	9 Years
Expected cash flows over the next (valued on undiscounted basis):		
1 Year	22.80	18.36
2-5 Years	60.75	48.14
6-10 Years	66.65	75.56
More than 10 Years	215.48	234.44

IV. Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant.
